Notes to Financial Results -

- The above is an extract of the detailed format of Quarterly Annual Financial Results filed with the Stock Exchanges under Regulation of the SEBI (Listing and Other Disclosure Requirements) Regulations, 2015 read with SEBI circular 3th July, 2016. The full format of the Quarterly Annual Financial Results are available on the websites of the Stock Exchanges (BSE Limited (www.bseindia.com) and the Company (www.zodiacjrdmkj.com).
- The Trade Payables of the Company include a vendor having outstanding for more than 3 years amount of ₹. 48.32 Lakhs as at March 31, 2022. The vendor is under Corporate Insolvency Resolution Process from January 2018. The management of the Company is making all efforts to quantify the amount payable to the vendor based on the resolution with the management, the matter is pending before various statutory investigating authorities. However, the company has not received any claim. Hence, in the opinion of management no impact has been given in the financial statements in absence of the confirmation of the vendor.
- The Company has examined the possible effects that may arise from the COVID-19 pandemic on the carrying amounts of receivables, unutilised revenues, inventory, investments, right of use assets and intangible assets. While estimating the possible future uncertainties in the global economic conditions because of this pandemic, the Company has used internal and external sources of information including credit reports, economic forecasts and consensus estimates from market sources. The Company has carried out sensitivity analysis on the assumptions used and based on current estimates, expects that the carrying amounts of the aforementioned assets will be realized. The impact of COVID-19 on the Company's financial results may differ from that estimated as at the date of approval of these financial results.
- The Company is primarily engaged in the business of diamonds and accordingly there are no separate reportable segments pursuant to IND-AS-108 - Operating Segments.
- Figures for the earlier periods have been regrouped, rearranged and reclassified wherever necessary to make them comparable with those of the current period.
- The figures for the quarter ended 31/03/2022 & 31/03/2021 are the balancing figures between the audited figures in respect of the full financial year 2021-22 and 2020-21 and the published unaudited year to date figures up to the third quarter ended 31/12/2021 & 31/12/2020 respectively.
- The Statutory Auditors of the Company have conducted audit of the financial results for the quarter ended March 31, 2022 pursuant to the requirement of Regulation 33 of the SEBI (LODR) Regulations, 2015 and have given an unmodified opinion in their report.
- The formats for unaudited quarterly results is as prescribed under SEBI's Circular CIR/CFD/CMD/15/2015 dated November 30, 2015, as modified to comply with the requirements of SEBI's Circular dated July 5, 2016.
- The outbreak of COVID-19 pandemic has affected several countries across the world, including India. The Government is undertaking several measures to restrict the spread of virus and provide financial support to some stressed sectors. Further, while the COVID-19 vaccination efforts have gained momentum, uncertainty due to the resurgence of COVID cases across many parts of India is rising. The extent to which the COVID-19 pandemic will impact the Company's results will depend on ongoing as well as future developments, which at this juncture are highly uncertain. It is expected that economic activity will continue to improve as the residual restrictions are eased gradually. The Company has assessed the impact of the pandemic on its operations and its assets. The management does not, at this juncture, believe that the impact on the value of the Company's assets is likely to be material. Business continuity plans have been invoked to help ensure the safety and well-being of staff thereby retaining the ability to maintain business operations following lockdowns in India. These actions help to ensure business resilience. Since the situation is still evolving and it seems likely that there will be a material impact on the economy, its effect on the operations of the Company may be different from that estimated as at the date of approval of these financial results. The Company continues to closely monitor material changes in markets and future economic conditions.
- In the wake of economic uncertainties and the disruptions caused due to COVID-19 pandemic, the Board of Directors felt that it would be prudent to conserve our resources in order to meet unforeseen contingencies. Therefore, the Board of Directors does not recommend any dividend for the Financial year 2021-22.
- The Indian Parliament has approved the Code on Social Security, 2020 which would impact the contributions to the Company towards Provident Fund and Gratuity. The effective date from which the changes are applicable is yet to be notified and the final rules are yet to be framed. The Company will carry out an evaluation of the impact and record the same in the financial statements in the period in which the Code becomes effective and the related rules are published.
- The financial results for the year ended 31/03/2022 have been extracted from the audited standalone financial statements prepared in accordance with the Indian Accounting Standards (Ind-AS) as prescribed under Section 133 of the Companies Act, 2013 read with Rule 5 of the Companies (Indian Accounting Standards) Rules, 2015 and relevant amendments rules therefor. These financial results have been reviewed by the Audit Committee and thereafter approved by the Board of Directors at their respective meetings held on 25th May, 2022.
